Dear Ms. Dortch:

On September 14, 2004, representatives of the Coalition of C-band Constituents met with Commission staff to discuss matters related to interference to C-band satellite receivers from ultra-wideband devices. We also discussed the results and methodology of a study previously submitted by the Coalition on February 18, 2004. Representing the Coalition were Maureen O'Connell of News Corp., Andrew Setos of Fox Broadcasting, Chris Ehrenbard of CBS, Bruce Collins of C-SPAN, Ross Sorci of Alion Science, Craig Cuttner of Home Box Office, Michael Aloisi of MTV Networks, John Quale of Skadden Arps, and the undersigned. The Commission staff present at the meeting were Ron Chase, Julius Knapp, Karen Rackley, John Reed, and Alan Schrimme of the Office of Engineering ("OET"), and, attending via videoconference, Steve Jones of OET's Laboratory Division

Please address any questions to the undersigned.

Respectfully submitted,
